THE PONYTAIL POSSE AT THE STATE CHAMPIONSHIP

This year's highly-anticipated MN FTC State Championship was February 6th. We had an amazing time seeing all of our robotics friends and competing among the best teams in the state. At the end of the tournament, we were finalists for the Motivate Award. We have big plans for next year and we're super excited that the offseason (aka outreach season) has begun.

Thank you to all of our sponsors who visited the tournament! It was great to see you there and thanks for being part of our super fun day.

Thanks for your support and encouragement throughout this season. We couldn't have done it without you and we're looking forward to next year!
