# WELCOME TO VELOCITY VORTEX!

This season's FTC robotics challenge is called Velocity Vortex. The main elements this year are red and blue wiffle balls, which can be scored in various goals around the field to earn your alliance points.

Watch the video below and click the link for more information about the game!

Click [here](#) for more details about the FTC competition.

## WANT TO SEE VELOCITY VORTEX IN ACTION?

Our tournament dates are currently being finalized. Keep an eye out for the next newsletter or email us to find out when you can see us compete on the field. We hope to see you at the competition!

## WHO IS THE PONYTAIL POSSE?

We are an all-girls competitive robotics team from Shoreview, MN. The majority of us are in our junior year of high school and we have been a robotics team for over eight years. Find out more at [www.theponytailposse.com](http://www.theponytailposse.com).
